Heavy-Duty Pipe Clamps

www.ife-group.com

IFE's heavy-duty pipe clamps are as versatile as they are strong. They deliver exceptional clamping force, and with a simple modification make great pipe hangers (in exhaust applications, for example). Choose from over 30 diameters and 3 band widths.

- Ideal solution for exhaust applications and more
- Corrosion-resistant zinc finish (hexavalent chromium-free)
- Heavy-duty design & materials
- Easily modified for pipe hanging
- Rugged band withstands high vibration for pipe clamping
- Can be used with M8, M10 or M12 bolt (size-dependent)
- 3 band widths available (size-dependent)

IFE Americas is a global provider of sealing and retaining solutions to meet customer needs. We offer a wide range of clamps, couplings, straps, and sleeves, with in-house testing facilities and technical support.

Heavy-duty pipe clamp or hanger, restrained condition

Standard clamp, shipping condition

Optional hanger version

Due to our program of continuous improvement, specifications may be subject to change.

All sizes in mm

Material: ASTM A283C-A structural steel

Coating: Zinc with trivalent silver chromate (hexavalent chrome-free)

Due to our program of continuous improvement, specifications may be subject to change.
